

A woman with long brown hair, wearing a grey beanie, a white long-sleeved shirt, a black vest, and black leggings, is walking on a sandy beach. She is wearing a grey and teal knee brace on her right knee. She is smiling and looking towards the right. In the background, there is a man in a black beanie and a dark jacket, also walking. The beach is covered in tall, dry grass, and the ocean is visible in the distance under a bright, hazy sky.

elife[®]

2022

ORTHOPEDICS

enrich life.

e-life is dedicated to restoring mobility and improving the quality of life for people around the world. Through our commitment to quality, innovation and product safety we deliver life enhancing product solutions that have a positive impact on a broad range of musculoskeletal conditions.

As one of the world's leading providers of

orthopedic supports, e-life has built its reputation on innovative product solutions that are founded on a total commitment to quality and safety. We control every stage of the manufacturing process and apply the same exacting standards, from the sourcing of raw materials to research and development, manufacture and testing. Our commitment to quality and safety is paramount and we exceed all international quality and safety standards, including DNV, DIN, CE and FDA – we are accredited with ISO 9001 and ISO 13485. Our in-depth medical knowledge combined with our advanced product design expertise enables us to deliver functional products for optimal patient care, helping solve mobility problems and deliver a better quality of life.
